March 2nd, 2021

Dear Residents,

Please see the attached revised HARC Building Guidelines for your review.

This document includes amended fee schedules, and site inspections during construction processes in Old Fort Bay. If your property is under construction currently, you will fall into the new billing schedule upon the anniversary date of your construction during this year.

If you have any questions at all, please contact the POA Head Office at the number above.

Thank you,

Sonya Alvino
OFB POA
